

POLICY ON OCCUPATIONAL SAFETY AND HEALTH

CORAL SRB d.o.o. Belgrade in its business processes of "Wholesale of solid, liquid and gaseous fuels and trade in motor and other fuels at the supply stations of vehicles", pays special attention to the protection of health and safety at work. Therefore, we have established, implemented, maintained and continuously improved the occupational safety and health management system in accordance with the requirements of the standard::

ISO 45001:2018.

The occupational safety and health management system includes all employees and all external persons involved in the processes of CORAL SRB d.o.o. Belgrade which are present at its locations. Management of CORAL SRB d.o.o. Belgrade is dedicated to:

- a) providing safe and healthy working conditions in order to prevent injuries and impairments related to work,
- b) setting OH&S goals;
- c) compliance with legal requirements and other requirements;
- d) eliminating hazards and reducing OH&S risks
- e) continuous improvement of the OH&S management system;
- f) consulting and participation of workers and their representatives for safety and health at work

Our OH&S performance targets are:

Zero level of injuries at work
Zero level of time lost due to injuries at work

This Policy is available to all interested parties inside and outside CORAL SRB d.o.o. Belgrade
